

EvoTouch.030 DALI-2 Glass Touch Panel, 3 Buttons

TCH-030x-001 is a modern DALI-2 control panel that combines advanced technology with sophisticated design. Its glass front and intuitively designed icons provide an elegant and universal interface that meets the expectations of even the most demanding users. The panel is equipped with three touch buttons, allowing for precise switching on and off, as well as smooth dimming of the light level for one DALI scene or group of luminaires. Additionally, an LED diode signals the control status of the group or scene, which significantly increases the comfort of operation. Available in classic white or elegant black. Custom versions, including panel colours and icon configuration, are available on individual request.

Technical specifications

| | |
|-----------------------------------|--|
| Power supply | 9,5 ÷ 22,5 V DC (via DALI Bus) |
| Current consumption from DALI Bus | 2,5 mA |
| Communication protocol | DALI-2 |
| Number of DALI addresses | 1 |
| Number of status indicator LEDs | 1 x LED, configurable |
| Wiring terminals | WAGO spring terminals, wire from 0,25 to 2,5 mm ² |
| Mounting | Ø60 mm flush-mount box |
| Dimensions | 86 x 86 x 36,5 [mm] |
| Color | White or black |
| Materials | ABS + PC + Glass |
| Operating temperature | 0 °C to +50 °C |
| Storage temperature | -20 °C to +50 °C |
| Relative humidity | 5 % ÷ 90 %, non-condensing |
| Weight | 140 g |
| Protection | IP 20 |
| Conformity mark | CE |
| Part number / EAN – White colour | TCH-030W-001 / 5904423369025 |
| Part number / EAN – Black colour | TCH-030B-001 / 5904423369032 |
